Joint Owner's Signature                      Date

# BUMP UP CERTIFICATE APPLICATION DISCLOSURE

## Rate Information

Certificate rates are determined by State Department Federal Credit Union (SDFCU) management and are fixed for the term of the certificate. The dividend rate and Annual Percentage Yield (APY) applicable to your certificate are shown on the front of your application and/or on the accompanying rate sheet. The stated APY is based on the assumption that dividends will remain in the account until maturity. Any early withdrawal will reduce earnings.

## Compounding and Crediting

For terms less than 12-months, dividends are paid upon maturity. **12-month and longer Certificate** dividends are compounded and credited quarterly, on the last day of the quarter and at maturity. For example, dividends for the first quarter, January 1 to March 31, will be paid on March 31.

## Minimum Balance Requirements

All other certificates require a minimum deposit of \$500.00 to establish and maintain a certificate.

## Balance Computation Method

Dividends on certificate accounts are calculated by the daily balance method, which applies a daily periodic rate to the full amount of principal for each day.

## Dividends

Dividends on noncash deposits accrue from the business day of deposit to your account. Dividends credited to **12-month and longer Certificates** may be withdrawn prior to maturity without penalty. You may choose to have the dividends automatically transferred to a share account each quarter, or you may make individual request for the funds as needed.

## Maturity

Your certificate will mature on the date shown on the front of this application. At that time, the balance will be transferred to the share account of your choosing (e.g. savings, checking, etc.) in accordance with your original instructions. If you wish to change those instructions, or to negotiate a new Jumbo Certificate, please contact our offices prior to maturity date.

## Early Withdrawal Penalties

In the case of early withdrawals of the principal amount or any portion thereof, a penalty will be imposed. SDFCU reserves the right to require 24 hours written notice of your intent to withdraw. Penalties are assessed at the time of withdrawal and are calculated as follows:

**Less than 12-month Certificates** - You will forfeit the lesser of 30 days of dividends on the amount withdrawn or the amount of dividends earned since the date of issuance.

**12-Month and 48-month Certificates** - You will forfeit the lesser of 180 days of dividends on the amount withdrawn or the amount of dividends earned since the date of issuance.

No penalty will be imposed if the withdrawal is a result of voluntary or involuntary liquidation of the Credit Union or upon death of the member.

## Transaction Limitations

After the certificate is established, you may not make deposits into the account until the maturity date stated on the certificate.

## National Credit Union Share Insurance Fund

Member accounts in this credit union are federally insured by the National Credit Union Share Insurance Fund.

## Other Terms and Conditions

Changes in terms and conditions may be made to this disclosure upon 30 days written notice to you. This share certificate is non-transferable, except on the books of this credit union.

## Joint Ownership

(SDFCU) may recognize any of the signatures appearing on the application in the payment of funds or in the transaction of any business for this account. The joint owners of this account agree with each other and (SDFCU) that all sums, now or in the future, paid on this account by any or all of the joint owners to their credit as joint owners with all additions and adjustments are and share be owned by them jointly, and are subject to the withdrawal or receipt of any of them. Payments to any of them or the survivor(s) shall be valid and discharge (SDFCU) from any liability whatsoever. A joint owner may be removed from this account only at the express written authorization of that joint owner. The right or authority of (SDFCU) under this agreement shall not be changed or terminated by any of the owners, except by written notice to (SDFCU). Such written notice shall not affect any previous transactions.

## Bump Interest Rate Information

You may choose to update or "Bump" the Interest Rate and Annual Percentage Yield on a 17-month certificate to the prevailing Interest Rate of the (SDFCU) 24-month certificate. The 30-month certificate can be updated to the prevailing Interest Rate of the (SDFCU) 36-month certificate. The 45-month certificate can be updated to the prevailing Interest Rate of the (SDFCU) 48-month certificate. The "Bump" option can only be exercised once during the term of the certificate. Additional funds can be added to the account when the bump option is exercised. The updated or bumped Interest Rate will become effective within 3 business days after we receive your notice. The new Interest Rate will not be applied retroactively.
